The Long Island Museum is holding a Doo Wop and Classic Cars event on Sunday, November 11 at the Carriage Museum and Visitor Center parking lot. They will be highlighting cars from our chapter at the event. The Doo Wop group The Clusters will also be performing hits from the 1950s.

We need to let them know how many Studebakers to expect for the show. We were last featured there in March 2011 at their grand reopening event, and it was great fun.

Please contact Frank Sammon no later than October 30th if you will be bringing your Studebaker to the event. We will need the car count so that the museum can set up appropriate parking for the cars.

Call Frank at (631) 348-7681 or cell (631) 258-8826 no later than October 30th! Please indicate what car you will be bringing. Hope to see you there!
